

EMPEREUR X.O 40% Vol

TERROIR : GRANDE CHAMPAGNE

GRAPE VARIETY : 100% UGNI BLANC

AGEING : In new Limousin oak barrels, coarse and medium grain.

Tasting : Mahogany-coloured with warm copper highlights, this cognac harmoniously unfolds a discontinuous palette of unified flavours and aromas that nothing disturbs during the long gustative journey it offers you.

The nose is heady and evolving. You will smell nutmeg, cloves, cinnamon, and subtle aromas of vanilla. Concentrated aromas of candied fruit and especially prunes come to delight the nose. An invitation to stroll and let your imagination escape...

Palate: full-bodied, supple, and powerful. The rich, complex notes of candied fruit evolve into flavours of toasted spices, giving way to notes of dark chocolate, leather, and tobacco. Everything blends harmoniously to create an exceptional taste experience. The intense Charentais rancio signs the work of time that passes.

With a remarkable length on the palate, this cognac is an invitation to travel, and why not in the company of a wonderful cigar.
